

Creative Visualization is the art of using mental imagery and affirmation to produce positive changes in your life. It is being successfully used in the fields of health, business, the creative arts, and sports, and in fact can have an impact in every area of your life. Creative Visualization and millions of other books are available for Amazon Kindle. As introduced by Shakti Gawain to more than seven million readers worldwide, creative visualization is the art of using mental imagery and affirmation to produce positive changes in your life.
